Beginning Ballet

.....

An introduction to ballet technique, terminology, and positions. Students will learn the classical art form of ballet through barre work, center, and progressive combinations.

Beginning Belly Dance

.....

Learn the basics of proper techniques for this ancient dance form while toning your entire body. Build endurance, strength and ignite your creative spirit.

Beginning Modern

.....

Grounded in modern dance technique, this class begins to explore contraction/release, fall and recovery, floorwork, inversions, dynamics, musicality, and expressive movement. Students build strength, versatility, and artistry through the study of modern dance in its many forms.

Beginning Tap

.....

This class focuses on tap dance technique and musicality. Students will learn basic tap dance steps and begin to put them into dance combinations.

Beginning Taiko

.....

In this ancient Japanese tradition, drummers will learn rhythms with sticks while using choreographed movements that take them from drum to drum.

Classical Chinese Dance

.....

Explore Chinese classical dance through mindful breathing, flowing movement, and expressive broad sleeves. Learn to connect each posture with grace and intention while discovering a living cultural heritage. Build confidence and stage presence through performance opportunities with Chinese community and learn to speak the language of Chinese culture through dance.

Contemporary Combos

.....

Explore the ever-evolving world of contemporary dance through new choreography each week. Featuring a rotation of teachers and movement styles, this class blends influences from modern, jazz, lyrical, and other contemporary forms while building musicality, versatility, and confidence.

Continuing Ballet

.....

Intermediate to advanced students will practice and expand upon ballet technique and fundamentals with challenging barre and center work, jumps, turns, leaps, etc.

Continuing Modern

.....

Building on foundational modern dance technique, this continuing-level class deepens students' exploration of release, fall and recovery, floorwork, inversions, dynamics, musicality, and expressive movement. More complex phrasework, transitions, and movement qualities develop strength, coordination, versatility, and individual artistry across a range of modern dance forms.

Continuing Tap

.....

Intermediate to advanced dancers strengthen tap skills and learn various combinations and styles of choreography.

Creative Movement

.....

Your little dancers will receive a basic introduction to dance while enhancing motor skills and coordination with fun exercises in rhythm & movement. Students grow as movers while building confidence, friendships, and a sense of community through dance.

Dance in Your Seat

.....

Based on the research-based dance class, Dance for PD ®, this class is designed for anyone who is challenged by mobility. Simple combinations using a chair and/or ballet barre will increase your energy level, balance, and coordination.

Hip-Hop Combos

.....

Hip hop culture comes alive through dynamic music and energetic choreography. Movement elements and techniques are taught through combinations set to popular music

Hip Hop Groove

.....

Set to popular music, this class combines foundational styles, current trends, and fun choreography while building rhythm, coordination, confidence, and endurance. No experience necessary, just bring your energy and get ready for a fun, dance-based workout that will leave you feeling energized!

Continuing Belly Dance

.....

Take your belly dance skills to the next level. Refine technique, explore more complex movements, and begin learning short choreographic combinations. Build confidence and artistry through dynamic expression.

Jazz Fusion

.....

This combo-based jazz class invites dancers to explore the many styles and influences that shape jazz dance today. Each class features new choreography and a rotation of instructors. Blending classic jazz foundations with contemporary influences, commercial styles, and creative expression, this class challenges dancers to strengthen technique, and expand their versatility.

Jazz Technique

.....

Rooted in both classical and contemporary jazz styles, this class emphasizes precision, musicality, and expressive movement. Dancers will deepen their understanding of jazz technique through stylized combinations that build strength, coordination, and personal artistry.

Modern Combos

.....

This modern class explores choreography with elements of Graham and Horton techniques. Dancers will further develop their artistry, performance quality, and technique through learning new repertoire.

Movement Mix

.....

This is an introduction to the technique of various dance styles. Young students learn elements of ballet, jazz, and modern/contemporary dance in a fun environment with musical exercises and games.

Pineapple Dance Project

.....

Pineapple Dance Project is a performance based youth company. These classes teach choreography, encourages teamwork, and empowers students to push the boundaries of dance while taking artistic risks.

Pointe

.....

Build strength, alignment, and control for pointe work through focused barre exercises and foundational technique. Suitable for dancers developing or refining their pointe skills.

Tai Chi

.....

This Chinese movement form improves balance, focus, relaxation, and coordination. The class is 60 movement Yang style. Explore the traditional Yang Style Tai Chi 60 Movement form through mindful movement, breath, and balance. This all-levels class develops coordination, flexibility, relaxation, and body awareness through flowing, meditative practice.

Silver Taps

.....

Designed for older adults, this class is an introduction to the basics of tap from a seated position or at the ballet barre. Enjoy the art of tap dancing with low-impact, age-appropriate movements. Whether you're a seasoned dancer or trying tap dance for the first time, this class offers a supportive and delightful environment for all.

Somatic Movement

.....

Somatic Movement is a gentle, exploratory class designed to increase body awareness, improve mobility, and support overall well-being through mindful movement. Using guided movement explorations inspired by Feldenkrais Awareness Through Movement ® lessons, participants learn to recognize habitual movement patterns, release unnecessary tension, and discover more efficient ways of moving. Students must be able to lie on the floor.

Tiny Steps

.....

A joyful music and movement experience including live music, gentle relaxation, hands-on instrument play, and playful movement games that support early development and bonding.

Teen Modern Technique

.....

With an emphasis on technique, dancers will build strength, flexibility, and coordination while learning contemporary combinations and improvisational exercises. Perfect for teens looking to grow as performers and connect with the artistry of movement.

Youth Acro & Tumbling

.....

Designed to support young dancers in developing strength, balance, flexibility, and coordination. This class explores foundational and progressive techniques, including balances, rolls, inversions, and tumbling sequences, while emphasizing body awareness, safety, and creative movement.ancers will explore

Youth Ballet

.....

Learn basic fundamentals, positions, terminology, and movements of ballet in a fun and non-competitive environment. in a fun and creative environment

Youth Hip Hop

.....

Using fun pop music, this class will teach the basic and fundamental movements of hip hop focusing on rhythm, technique, and precision.

Youth Modern

.....

Learn fundamental steps, movements, and shapes within modern dance. Students will explore modern dance technique through games, choreographed combinations, and improvisation.

Youth Lyrical

.....

Learn fundamental steps, movements, and shapes within modern dance. Students will explore modern dance technique through games, choreographed combinations, and improvisation.

Youth Taiko

.....

Through powerful group drumming, movement, and ensemble work, students will explore the connection between sound and the body while building confidence, discipline, and teamwork skills.
